Mystery that has been revealed.

Sacraments are ordinary things that point to extraordinary things.

Everything belongs to God.

## HAPPY FALL 2020

o c t o b e r

Greetings to you all! Happy fall! I guess it is here whether we enjoy the cooler weather or not, but the glorious colors of the trees are something to appreciate. Let us embrace it and rejoice in whatever God has for us.

This newsletter is going to be our new monthly communication with you. We hope you will use this opportunity to connect with us and see all of the great things that are and will be happening at our church. We are praying you will be

in prayer over how you can be of service to our community through our church. There are so many ways you can get involved.

Are you good with kids, feel called to teach? We need nursery workers, Sunday School teachers, and volunteers for Adventure Club, Jr. High, and High School. Do you like getting to know new people? We need greeters and people who will connect with shut-ins and visitors.

We would like to challenge you to be alive, active, and growing in your faith. God is not limited by your limitations. He wants you to follow Him and trust that He will give you the courage and strength you need to do the things He has called you to do. Please fill out a blue Skills & Gifts Inventory sheet, so we can help you get involved.
